## **DETAILED ACTION**

### ***Allowable Subject Matter***

1. Claims 1 – 9 are allowed.
2. The following is an examiner's statement of reasons for allowance:

The art of record does not teach nor does it suggest the specific features called for in the claims, particularly the steps of dividing a video sequence into shots, selecting from those shots key frames, searching the key frames for query objects, and then only tracking query objects in shots where the query object was detected in key frame(s) of the shot.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
